

4th World Congress on Electroporation

save the date

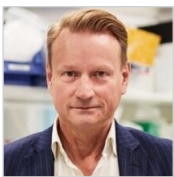

19 - 23 September 2021
Copenhagen · Denmark

The 4th World Congress on Electroporation & Pulsed Electric Fields in Biology, Medicine, Food and Environmental Technologies to be held in Copenhagen, Sept. 19-23, 2021 will continue to create an inspiring international and interdisciplinary forum for sharing novel and ground breaking research.

The Tivoli Congress Center, located right in the centre of Copenhagen, integrates lecture halls, poster presentation, exhibitions and coffee/lunching areas in order to maximize possibilities for fruitful scientific collaboration and discussion.

This website wc2021.electroporation.net details the programme (including educational session), social events, information on venue and accommodation, abstract submission, and of course registration.

Keynote Speakers

Matti Sällberg
Professor, Karolinska
Institutet, Sweden
Vaccines

Kate Broderick
Senior Vice
President,
Preclinical R&D,
Inovio Pharma-
ceuticals Inc. USA
Vaccines

Marie-Pierre Rols
Director of Research
at IPBS, France
Mechanisms
- **Gene Transfer**

Javier Raso
Professor, University
of Zaragoza, Spain
Food Technology

Jacob Koruth
Director, Experimen-
tal Lab, Mount Sinai
Medical Center,
New York, USA
Cardiac Ablation

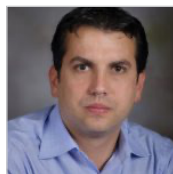

Maja Cemažar
Professor, Institute
of Oncology,
Ljubljana, Slovenia
Veterinary
Oncology

Adil Daud
Professor MD, Uni-
versity of California,
San Francisco, USA
Oncology
- **Gene Therapy**

Luca Campana
Clinical Fellow,
The Christie NHS
Foundation Trust,
Manchester, UK
**Oncology - Electro-
chemotherapy**

Rafael Davalos
Professor, Virginia
Polytechnic Institute
and State University
USA
**Irreversible Electro-
poration**

Conference Topics

- ✔ Mechanisms of electroporation
- ✔ Electroporation of cells and tissues
- ✔ Medical applications of electroporation
- ✔ Veterinary applications of electroporation
- ✔ Modelling and laboratory techniques in electroporation
- ✔ Electroporation in food science and technology
- ✔ Electroporation in bio-economy and biorefinery
- ✔ Novel electroporation technologies

Registration

Members of ISEBTT through 2021 have discounted rates. Please register on wc2021.electroporation.net/registration/

NB! If you register before 15 June 2021 you will get the cheapest rate.

Abstract Submission

Please submit your abstract at the congress website wc2021.electroporation.net/abstract-submission/

Abstract submission closes on 15 May 2021.
